

Boardman Class of 63 Reunion

I am sooo glad that Dick sent me an email telling me he is going to be in Johannesburg in September and I really look forward to meeting him again

They say the road to heaven is paved with good intentions!. Ever since I received the first notification of the Reunion I intended to write you all a message. I sincerely apologise that it has taken this long and another personal email.

I have very few regrets in life and the BIGGEST is the fact that I allowed my contact with Boardman classmates and indeed the Stilsons to grind to a halt. I sincerely hope that this regret will now be satisfied!

My year with the Stillsons and at Boardman played a HUGE influence on the rest of my life. The experiences and friendships I enjoyed with many of you (especially with Roger Johnson and Phyllis Bowen) were life changing and in retrospect I so regret not carrying them beyond Boardman. Even more so not maintaining contact with the Stillsons

I have had a wonderful, happy, and eventful life. I have been very happily married to Greer (Who was an AFS student to Hingham, Mass in 63/64) for 46 years and we have 3 lovely daughters who have given us 5 grandchildren

I have had a varied career resulting in our family living in a few different SA towns. I was pretty successful in many endeavours and disastrously UN successful in one or two.

My personal mission statement is **“To use the unique and extensive experiences God has Blessed me with over the past 68 years to be instrumental in making a Positive Difference in as many lives as possible”**

Over and above “making a positive difference” in my family life, I have 3 main vehicles God has provided where all my varied careers’ experience is being used

1. BNI
2. Mpumalanga Leadership Foundation (MLF)
3. FaceBoard

I am privileged to be **Executive Director of BNI Mpumalanga**, South Africa. www.bni.com

Mpumalanga Leadership Foundation (MLF).

I am also privileged to be an active **Director of Mpumalanga Leadership Foundation (MLF)**.

MLF provides a platform to promote and encourage dialogue within and between Business, Church, Government and Community Care organisations. MLF is being Blessed and enjoying phenomenal growth and will “Make a Positive difference in many hundreds of lives”

FaceBoard

I am also privileged to be an active **Director of FaceBoard (Pty)Ltd**

www.faceboard.co.za

FaceBoard is a fun board game developed to impart, reinforce and evaluate knowledge about a specific topic in an engaging and entertaining way .

FaceBoard is providing opportunities for me to be instrumental in making a positive difference in millions of lives. I presented it to a BNI Conference in July held in Tampa Florida and i hope to do likewise at an International Conference in Long beach, California in November this year

I could go on and on and would be honoured to send my profile to anyone who would like it
My year at Boardman was a very important foundation stone. My actions do not show it!!

I hope this is the beginning of a new Chapter and that I make contact with many old (in both senses!) friends

God Bless
